

# Angel

Charlotte Martin

You are my angel  
Come from way above  
To bring me love

Her eyes  
She's on the dark side  
Neutralize  
Every man in sight

To love you, love you, love you ...  
To love you, love you, love you ...  
To love you

You are my angel  
Come from way above

To love you, love you, love you ...  
To love you, love you, love you ...

Her eyes  
She's on the dark side

I love you, love you, love you ...  
To love you, love you, love you ...  
To love you, love you, love you ...  
To love you, love you, love you ...

To love you, love you, love you ...  
To love you, love you, love you ...  
To love you, love you, love you ...  
To love you, love you, love you ...

Where'd you go off higher now baby  
It's been so long  
Where'd you go off higher now baby  
It's been so long  
Where'd you go off higher now baby  
It's been so long  
Where'd you go off higher now baby  
It's been so long  
Where'd you go off higher now baby  
It's been so long  
Where'd you go off higher now baby  
It's been so long
