

## Cry, Cry

Cheap Trick

My my my  
My my eyes i can't believe  
I'm cryin'  
You you  
Yeah you you broke my heart  
It's true  
It seems to me  
You should have told me  
I just can't go on this way  
My my my  
My my eyes i can't believe  
I'm cryin'  
You you  
Yeah you you broke my heart  
It's true  
You say to me  
You say you never  
Realized how much you loved me  
So don't ya call me on the phone  
Oh babe no no baby  
Just to say you're all alone  
And cry cry cry cry  
It seems to me  
You should have told me  
I just can't go on this way  
So don't ya call me on the phone  
Oh babe no no baby  
Just to say you're all alone  
And cry cry cry cry
