

Hummer

Cheap Trick

Everybody
Everybody

So take a good look
And you can see what you see in me
And take a good look
And you can see what you see in me
And take a good look
'Cause I'm already gone

Everybody
Everybody

So take a good look
And you can see what you see in me
And take a good look
And you can see what you see in me
And take a good look
'Cause I'm already gone
