

I Know What I Want

Cheap Trick

I've been around the world and met a million girls
Still, I know I wanna be with you
You've got more than anyone else
And I want you more than anything

'Cause I know what I want, and I know how to get it
I know what I want, and I know how to get it
I know what I want, and I know how to get it from you, from you

I knew I'd meet you, I had a dream about you
We were walkin' hand in hand, we were talkin' 'bout love
It was love at first sight when I looked into your eyes
I was blinded by the feelings in my heart

'Cause I know what I want, and I know how to get it
I know what I want, and I know how to get it
I know what I want, and I know how to get it from you, from you

I know, I know, I know
I know what I want
I know what I want
I want it

Well, you knew I'd meet you, you know I dreamt about you
We were walkin' hand in hand, we were talkin' 'bout love
Love at first sight, when I looked into your eyes
I was blinded by the feelings in my heart

I know you feel it, there's no doubt about it
It's gettin' stronger every day
It's a one in a million, I was shootin' for the stars
You're the world's greatest lover and you're mine

'Cause I know what I want, and I know how to get it
I know what I want, and I know how to get it
I know what I want, and I know how to get it from you, from you

And I know what I want, and I know how to get it
I know what I want, and I know how to get it
I know what I want, and I know how to get it
