

She's Got Motion

Cheap Trick

Met the girl said to me
What is it you wanna see?
See the world a different view
Trip around the world with you
See it all, special view
Over, under, sideways with you
Took a chance, ummm some romance
It was good for me was it good for you?

She's got motion, motion, motion
A love potion (for me)
Yeah, she's got it (I like it a lot)
I've got the motion
She likes it hot

Then I touched her on the spot
On the trigger, it was hot
She said "Don't stop. Don't stop, don't stop"

She's got motion, motion, motion
A love potion (for me)
Yeah, she's got it (I like it a lot)
I got the notion
She likes it hot
So hot
So hot
Hot, hot, hot, hot

It was good
No, it was great
It was wonderful
Bravo!
Congratulations go out to her
My feet never touched the ground

She's got motion, motion, motion
A love potion (for me)
Yeah, she's got it (I like it a lot)
I got the notion
She likes it hot
