Well I can't stop the music I could stop it before
Now I don't want to hear it Don't wanna hear it no more
No more

I can't stop the music
I could stop it before
Now I don't wanna hear it
Don't wanna hear it no more

All I wanna do is stop this game It's gonna really end Stop this game It's such a touchy, touchy thing

Hey, livin' with you
Is all I wanted before
I've changed, you didn't
Don't wanna see you no more

All I wanna do is stop this game It's gonna really end Oh, stop this game It's such a touchy, touchy thing

Well we were walkin' before we could crawl And you were lovin' just emotion just all It's just emotion wasn't music at all Now I can't stop the music Now I don't wanna hear it no more No more, no more, no more

Stop this game
It's gonna really end
Stop this game
It's such a touchy, touchy thing

I can't stop the music (stop this game)
I could stop it before (it's gonna really end)
Now I don't wanna hear it (stop this game)
Don't wanna hear it no more (it's such a touchy, touchy thing)
