

Such a Good Girl

Cheap Trick

Ahhh
Hey, whooo
Hey (long, long time ago)
Ooh oohh, ooh (such a long long time ago)
I've seen some bad girls

You're such a good girl
Loving me the way that you do
You're such a good girl
Holding me the way you do, yeah yeah

And when I'm home you never let me down
And when I'm gone you never let me down
You better get yourself together darlin'
I'm coming home

You're such a good girl
Loving me the way that you do

Holding me the way you do, yeah yeah

And when I'm home you never let me down
