

The Rest of My Life

Cheap Trick

Some days I just don't feel
Like I know my own mind
And times I feel that I belong
It's no disguise, this love of mine
Who knows what forever is about
Be with you always in a day
Tomorrow never knows
And time waits for no one
It's a mystery anyway

If I could, I would
But I can't, so I won't love you forever
My, just the rest of my life

Will this ever pass or fade away?
Will this ever change or go astray?
Will I always be there where you are?
It's a mystery anyway

If I could, I would
But I can't, so I won't love you forever
My, just the rest of my life

If I could, I would
But I can't, so I won't love you forever
My, just the rest of my life
The rest of my life
The rest of my life
The rest of my life
The rest of my life
The rest of my life
The rest of my life
