

You're All Talk

Cheap Trick

Please don't go, Please don't go away from me
Please don't go, Please don't go away from me

I got my breakfast in bed
You're big stuff in Chicago - so get in bed
This bedroom's only 12 by 10

You're all talk, You're all talk

I got your number for a real good time
Take the phone off the hook and watch you go wild
They say you go nuts and that's what I like

You're all talk, You're all talk

Please don't go, Please don't go away from me
Please don't go, Please don't go away from me

I got your number for a real good time
Take the phone off the hook and watch you go wild
They say you go nuts and that's what I like

You're all talk, You're all talk
You're all talk, You're all talk
You're all talk, You're all talk
You're all talk, You're all talk
