

All or Nothing

Cher

I've been standing out in the rain
I've been calling your name
Got that lonely feeling again
Calling out your name
Do you hear me? Do you want me?

Baby it's all or nothing now
I don't wanna run and I can't walk out
You're breaking my heart if you leave me now
Don't wanna wait for ever
Who do you think you're fooling
Who do you think you're fooling
Baby it's all or nothing,
Baby it's all or nothing now

I've been trying to get to your heart
But I'm chasing shadows
We keep falling further apart
So near and you're so far
Do you care now? Do you know how?

Baby it's all or nothing now
I don't wanna run and I can't walk out
You're breaking my heart if you leave me now
Don't wanna wait for ever
Who do you think you're fooling
Who do you think you're fooling
Baby it's all or nothing,
Baby it's all or nothing now

Sometimes, when you touch me
I just can't help myself (can't help myself)
Desire makes me weak
Desire makes me weak.
Do you care now? Do you know how?

Baby it's all or nothing
I don't wanna run and I can't walk out
You're breaking my heart if you leave me
Don't wanna wait for ever.

Baby it's all or nothing now
I don't wanna run and I can't walk out
You're breaking my heart if you leave me now
Don't wanna wait for ever
Who do you think you're fooling
Who do you think you're fooling
Baby it's all or nothing,
Baby it's all or nothing now,

Now...
