

# Love the Devil Out of Ya

**Cher**

Put a lid on it  
What's that you say?  
Put a lid on it  
Oh man, no way  
Put a lid down on it, and everything will be all right.  
Put a lid on it  
Don't hand me that  
Put a lid on it  
I'm all right, Jack  
Put a lid down on it, before somebody starts a fight.

Say, every time I turn it loose you cats Come down and cook my  
goose  
When I start I just can't stop  
But if you keep this up you're gonna blow your top!  
Put a lid on it  
Too late this time  
Put a lid on it  
I've got to get what's mine  
Put a lid down on it, and everything will be all right.

Well, grab your drink and clear a space I think it's time to to  
rch this place  
Now the girl's in overdrive  
But some of your pals want to stay alive!  
I'll put a lid on it  
I'll put a lid down on it  
Save it for another night
