One Honest Man

I can't find a four-leaf cover anymore I could find it if I wanted to I believe if you put your mind to something Well there ain't anything in this world You could not do

But I can't find one honest man Why can't I find me one honest man Don't understand

The only thing I ever wanted Was a little bouquet of truth from him But it gave me all the things You can't build love on And I am on the wrong side Of a broken heart again

Why can't I find one honest man Why can't I find me one honest man Don't understand

If a little bitty candle Can light of the darkness Why can't it shine it's way through I've been waiting a very, very, very long time Ain't no man ever gonna be true

Don't understand Ain't there a man for me

Why can't I find one honest man Why can't I find me one honest man Don't understand

Why can't I find one honest man Why can't I find me one honest man Don't understand

Why can't I find one honest man Why can't I find me one honest man Don't understand
