

# I'm Young

Chesney Hawkes

Goodbye to the playground, Im free at last  
Ive got a lot of livin in me and I want to live it fast  
Dont care how rough the game gets,  
Cause I can pay the price, Im feeling good and lucky  
So its time to throw the dice

Chorus:

Im young, nothings going to stop me  
Im young, want it on the run  
Im young, nothings going to stop me  
Nothings going to stop me  
Nothings going to stop me now

Practiced in the mirror, thinking big and walking tall  
Im tired of all the waiting, now I want it all  
Well I run just like a cheetah, Im warm just like the  
sun  
Im cool just like an iceberg, Im a monkey just for fun

(Chorus)

Read life, read life  
Life in the papers  
Seen life, seen life  
Life on TV, watch life  
Life at the movies now I want some life for me

Im young, Im young, Im young  
Nothings gonna stop me  
Nothings gonna stop me  
Nothings gonna stop me, now
