

# Four Walls

Cheyenne Kimball

These four walls  
They whisper to me  
They know a secret  
I knew they would not keep  
It didn't take long  
For the room to fill with dust  
And these four walls came down around us

It must have been something to send me out of my head  
With the words so radical and not what I meant  
Now I wait  
For a break  
In the silence 'cause it's all that you left  
Just me and these four walls again

It's hard now to let you be  
I won't make excuses  
I've made my peace  
It didn't take long  
For me to lose the trust  
'Cause these four walls  
Were not strong enough

It must have been something to send me out of my head  
With the words so radical and not what I meant  
Now I wait  
For a break  
In the silence 'cause it's all that you left  
Just me and these four walls again

Yeah  
It's difficult  
Watching us fade  
Knowing it's all my fault  
My mistake  
Yeah, and it's difficult  
Letting you down  
Knowing it's all my fault  
You're not around

It must have been something to send me out of my head  
With the words so radical and not what I meant  
Now I wait  
For a break  
In the silence 'cause it's all that you left  
Just me and these four walls again

Again
