

## Where Do I Start

Chicane

Where do I start?  
Where do I begin?  
How do I start?  
Where do I start?  
Where do I begin?  
How do I start?  
Where do I start?  
Where do I begin?  
How do I start?

What if I stand?  
When it's down to fall  
How will I move?  
If I knew you  
But we'd never met  
Would you hold me?

Where do I start?  
Where do I begin?  
How do I start?

Hear me drowning  
Falling down  
Still surrounding you  
Heal me save me  
You create me  
Come on embrace me

Where do I start?  
Where do I begin?  
How do I start start?  
What if I stand?  
When it's down to fall  
How will I move?  
If I knew you  
But we'd never met  
Would you hold me?
