

Big Foot

Chickenfoot

Wake up in the morning, in the middle of the night
Pass by the mirror, make sure I'm lookin' right, uh

Tattoo it on my arm, on the back of your neck
In between your legs baby, so you won't forget me, uh

Don't you worry, it's gonna be alright
I'm in a hurry, I'm gonna drive all night
Be there in the morning, you can bet your @ss
I got both hands on the wheel, and my big foot on the gas, uh

Whooo

Well'uh, got houses of the holy, on the box
I got it all cranked up cause, yeah that shit rocks, uh
Gottta roll down the window, things are getting all hot
I'm runnin out of gas baby I gottta stop... well

Don't you worry, it's gonna be alright
I'm in a hurry, I'm gonna drive all night
Be there in the morning, you can bet your @ss

Don't you worry, it's gonna be alright
