

Turnin' Left

Chickenfoot

You've got vision
Don't wait for somebody else to do it
One thought in your mind
Don't wait for somebody else to prove it

Forward straight line, yeah wooh
Light speed, you're racin' away

Now you keep turnin' left, turnin' left
Turnin' left, turnin' left
You keep on turning left, turning left
Now you got me turnin' left, turnin' left
Turnin' left, oh yeah, huh, wooh

Wheel's keep on turning, oh yeah
Fuel keeps on burning, oh

Flat foot, headlights
Top gear headin' down the highway
Full speed, straight line
Can you tell me where you're really goin'
Two lanes but one way, yeah wooh
Faster past the red line

Well, you keep turnin' left, turnin' left
Uh, turnin' left, turnin' left
You keep on turning left, turning left
Now you got me turnin' left, turnin' left
Turnin' left, oh yeah, huh

Yeah
Uh, uh, oh, wooh
Get it, come on

Turnin' left, turnin' left, uh
Turnin' left, turnin' left, uh, yeah
Turnin' left, turnin' left, uh
You got me turnin' left, turnin' left, woah

Yeah, watch it
Get it, huh, wow

We go 'round in circles
We go 'round in circles
We go 'round in circles
We go 'round in circles, ow uh

Yeah, yeah
Get it, get it, get it, get it, huh
Woah, yeah, oh

Woah
Round and round and round and round
Hey
