You ask me what I did today but I'm not gonna say
I was watching something in a really really really big way
I'm asking you questions better tell me
something good
Fifteen minutes ain't fast enough

Culture vulture

Smashing things on the weekends to get my kind of thrills Smashing things on the weekends to get my thrills I use sensation to get my stimulation My stimulation it spells sensation

I need sensation to get my stimulation My stimulation is spells sensation More, more, more of what?

I need sensation to get my stimulation My stimulation is spells sensation More more, more of what?

Another necessity left here on the shelf Do it fast or just tag along Another necessity left here on the shelf Do it fast or just tag along

In the evening when I come home
You ask me what? What did I say?
Well, I'm not gonna say
Anno dommini but add another d
Attention deficiency, that's me
I'm the disease of the century but I don't care
Anno dommini but add another d
Attention deficiency, that's me
I'm the disease of the century but I don't care

Stop flicking my channels with your remote control
Stop flicking my channels with your remote control
Stop flicking my channels with your remote control
Defining the world through regurgitated, updated, mediocre, mainstream
media information
that smacks of sensation

You ask me what I did today but I'm not gonna say I was watching something in a really really really big way

Culture vulture Hey you culture vultures

You ask me what I did today but I'm not gonna say I was watching something in a really really really big way

Culture vulture Hey you culture vultures

You ask me what I did today but I'm not gonna say I was watching something in a really really really big way

Culture vulture Hey you culture vultures
