Just Dropped In (To See What Condition My Condition Was In)

Children of Bodom

Yeow yeow oh yeow what condition my condition was in

- I woke up this mornin with the sundown shinin in
- I found my mind in a brown paper bag within
- I tripped on a cloud and fell-a eight miles high I tore my mind on a jagged sky
- I just dropped in to see what condition my condition was in

Yeow yeow oh yeow what condition my condition was in

I pushed my soul in a deep dark hole and then I followed it in

I watched myself crawlin out as I was a crawlin in I got up so tight I couldn't unwind I saw so much I broke my mind

I just dropped in to see what condition my condition was in

Yeow yeow oh yeow what condition my condition was in

Someone painted april fool in big black letters on a dead end sign $% \left(1\right) =\left(1\right) +\left(1\right)$

I had my foot on the gas as I left the road and blew out my \min

Eight miles outta memphis and I got no spare eight miles straight up downtown somewhere

I just dropped in to see what condition my condition was in

I said i just dropped in to see what condition my condition was in Yeow yeow oh yeow
