

## Relentless Reckless Forever

Children of Bodom

I gotta say sometimes I just can't  
Deem all the things I've done  
Haunted to break the silence  
Outcrying the truth that I want gone  
... and I'll run

Back to the place where  
I was told, drunken ignorance  
Is Pure, true gold  
Feeling safe to rage, star acting mad  
No regret, I'm content to be bad

Relentless, no way I'm giving up  
I dare you make me stop  
Reckless - shattered dreams and broken ribs  
Annihilated into bits  
Forever - I'll stay on the run

You like to cling to my back like a monkey  
Not even a chance you'd let me go  
Fuck yea I'm a madman, a Jameson junkie  
But I know you reap what you sow  
And it all just goes to show

Back to the place where  
I was told, drunken ignorance  
Is Pure, true gold  
Feeling safe to rage, star acting mad  
No regret, I'm content to be bad

Relentless, no way I'm giving up  
I dare you make me stop  
Reckless - shattered dreams and broken ribs  
Annihilated into bits  
Forever - I'll stay on the run.
