

# Was It Worth It?

Children of Bodom

I've been dragged through mud here  
Completely beat up and torn  
But when last night comes back  
To me I sure as hell know

We rocked, went crazy  
And far beyond  
When I look back  
And ask myself  
Was it worth it?

Hell yeah  
Ignore the pain  
Hangover  
But I'll do it again  
Crying  
Tears made of grit  
Flying  
Oh yes, it was worth it

Yeah!!

Withdrawal kicking in, I can't shake it  
Yet in one way I have to take it

I'll rock, go nuts  
And far beyond  
And I look back  
I don't need to know  
Was it worth it?

Hell yeah  
Ignore the pain  
Hangover  
But I'll do it again  
Crying  
Tears made of grit  
Flying  
Oh yes, it was worth it

Hell yeah  
Ignore the pain  
Hangover  
But I'll do it again  
Crying  
Tears made of grit  
Flying  
Oh yes, it was worth it

Yeah!!
