

# Fire On The Water

Chris de Burgh

When I touch you I can feel you shivering,  
I can feel your heart is beating fast,  
We are alone in this crowded room,  
Oh tonight there is something happening,  
And it's something that should never be,  
But there's a flame over you and me;

And I can see the fire on water,  
I can see the light shining in your eyes,  
I know that I can't stop it now,  
'Cos I've been caught in the heat of the sun...

There's a place in an ancient fortress,  
High above the worries of the world,  
I'd love you there for a long, long time,  
And we'll discover all our deepest secrets,  
And let the spirit go flying free,  
Until the dawn breaks over the sea;

It's burning like fire on the water,  
I can see the light shining in your eyes,  
I know that I can't stop it now,  
'Cos I've been caught in the heat of the sun,  
Yes I've been caught in the heat of the sun,  
Oh let it shine on me,  
And I can see the fire on the water,  
I can see the light shining in your eyes,  
I know that I can't stop it now,  
'Cos I've been caught in the heat of the sun,  
Yes I've been caught in the heat of the sun,  
Oh let it shine on me;

And I can see the fire on the water,  
Can't stop it now...
