

# Long Train Running

Chris de Burgh

Down around the corner  
About a half a mile from here  
See the long trains running  
Watch 'em disappear  
Without love, where would you be right now  
Without love

I thought I saw Miss Lucy  
Down along the tracks  
She lost her home and family  
And she won't be coming back  
Without love, where would you be right now  
Without love

Well, the Illinois Central  
And the Southern Central Freight  
Gotta keep on pushing Mama  
'Cause you know they're running late  
Without love where would you be now?  
Without love

Well, the Illinois Central  
And the Southern Central Freight  
Gotta keep on pushing Mama  
'Cause you know they're running late  
Without love, where would you be now?  
Without love

Well the pistons keep on turning  
The wheels go 'round and 'round  
The steel rails are cold and hard  
For the mountains they go down  
Without love, where would you be now?  
Without love, ooh...  
Where would you be now

Mmm, moving on  
Moving on  
We're moving on  
Yeah moving on  
Gotta keep moving on  
Gotta keep moving on  
Gotta keep moving on  
Gotta keep moving on  
Say  
Down around that corner  
About a half a mile from here  
We are moving on  
Moving on  
Without love...  
Where would we be now
