The Last Thing On My Mind

Chris de Burgh

It's a lesson too late for the learning, Made of sand, made of sand, In the wink of an eye my soul is turning, In your hand, in your hand;

Are you going away with no word of farewell, Will there be not a trace left behind?
I could have loved you better,
I didn't mean to be unkind,
You know that was the last thing on my mind;

You've got reasons a-plenty for going, This I know, this I know, And the weeks have been steadily growing, Please don't go, please don't go;

Are you going away with no word of farewell, Will there be not a trace left behind?
I could have loved you better,
I didn't mean to be unkind,
You know that was the last thing on my mind;

As we walk on, my thoughts are a-tumbling, Round and round, round and round, Underneath our feet the subway's rumbling, Underground, underground;

Are you going away with no word of farewell, Will there be not a trace left behind?

I could have loved you better,

I didn't mean to be unkind,

You know that was the last thing on my mind;

Are you going away with no word of farewell, Will there be not a trace left behind?
I could have loved you better,
I didn't mean to be unkind,
You know that was the last thing on my mind.
