Time In A Bottle

Chris de Burgh

If I could save time in a bottle
The first thing that I'd like to do
Is to save every day 'til eternity passes away
Just to spend them with you

If I could make days last forever
If words could make wishes come true
I'd save every day like a treasure and then
Again, I would spend them with you

But there never seems to be enough time
To do the things you want to do, once you find them
I've looked around enough to know
That you're the one I want to go through time with

If I had a box just for wishes
And dreams that had never come true
The box would be empty except for the memory
Of how they were answered by you

But there never seems to be enough time
To do the things you want to do, once you find them
I've looked around enough to know
That you're the one I want to go through time with

If I could save time…
