

When I Think Of You

Chris de Burgh

There is something on my mind,
And I'm losing concentration
And I feel it everytime,
That you are near me.
I could tell you all about,
Your picture at my bedside,
I should call you sometime,
And talk it over.

'cos I get a kick inside,
And I feel a tingle too,
It just comes from time to time,
And it only happens,

When I think of you,
Sleeping,
When I'm dreaming, when I wake up, when I think of you,
Walking,
When I'm talking,
When I look up,
When I think of you,

Take me away to a land of mass confusion,
And I don't know what to say,
When I am near you,
I could stand here all day long,
Just staring at your window,
But I have so much to do,
That's so important,
Then I get a kick inside, and I feel a tingle too,
It just comes from time to time,
And it only happens,
When I think of you,

Sleeping,
When I'm dreaming, when I wake up,
When I think of you,
Walking,
When I'm talking, when I look up,
When I think of you

May get the feeling that I'm dancing on the ceiling,
When I get a kick inside, and my head is spinning too,
It just comes from time to time,
And it only happens

When I think of you,
Sleeping,
When I'm dreaming, when I wake up,
When I think of you,
When I whisper to your picture, when I kiss it, when I think of you

When I think of you, when I'm dreaming we're together, on my sofa,
When I think of you, when I'm wishing that we're kissing, when we're dancing
,

When I think of you.
