

# Till the Night We'll Meet Again

Chris Norman

Love hurts  
From the moment that I touch you  
I feel love hurts  
And the feeling when I kiss you  
Oh, this love hurts  
And I hear your heart is beating next to my heart  
Oh, my heart  
Love hurts  
Oh, I need you more than ever, baby, love hurts  
And it can't be wrong together, oh, this love hurts  
Don't let it slip away

Till the night we'll meet again  
I will hold you in my heart  
Take me just the way I am  
We will never break apart  
Till the night we'll meet again  
See the heaven in your eyes  
And my heart just wouldn't mend  
If I lose my paradise

Love hurts  
When I'm calling out your name  
I feel that love hurts  
And there's no one else to blame  
You know this love hurts  
Every now and then  
I know there's nothing better  
Oh, than you babe  
Love hurts  
What a kind of fool I am, oh baby, love hurts  
And I let you go again and so this love hurts  
I'll see you in my dreams

Till the night we'll meet again  
I will hold you in my heart  
Take me just the way I am  
We will never break apart  
Till the night we'll meet again  
See the heaven in your eyes  
And my heart just wouldn't mend  
If I lose my paradise

Till the night we'll meet again  
I will hold you in my heart  
Take me just the way I am  
We will never break apart  
Till the night we'll meet again ..
