

# Vision Of Life

Chris Norman

The hands of fate will lead us one day, I know  
Time will only tell  
The choices made can take your soul away  
If your wrong, but just stay strong

Everybody needs a hero  
And a story of their own  
Oh, oh

Some people lose faith  
Some people fall down  
When there is no angel there to help them  
Some people forget  
Some people regret  
All of the dreams that never come

Your vision of life  
Oh, oh  
Is not an illusion  
The vision of life  
Is different for everyone

The wheels of change  
Can play a funny game on your life  
But don't turn and walk away  
Don't forget that everything we do has a consequence  
A wrong and a right

Every spirit has a secret  
This your conscience always knows mmh...

Some people lose faith  
Some people fall down  
When there is no angel there to help them  
Some people forget  
Some people regret  
All of the dreams that never come

Don't close the door  
To your future  
When you're just one step away from your goal  
Cause you know that nothing last forever  
And you're the star, the star of your show  
Oh, oh

Your vision of life  
Oh, oh  
Is not an illusion  
Your vision of life  
Is different for everyone  
Your vision of life  
Is different for everyone
