

# One Night With You

Chris Rea

Some say she's a broken honky tonk  
Some say she's an ageing queen  
But I don't give no fuss  
For that bitchin' kind of stuff  
Cos honey you're the best I've ever seen  
Take me to your darkest secret  
Oh tell me of your wildest dreams  
Baby just one night is  
All I want to do  
Get a night with you  
All I want to do  
Get a night with you

Talking with some boozed up crowd  
That put you down  
Oh the cold blooded whispers  
Man they like to twist it round and round and round  
But they can't teach you anything oh no  
Cos there's only one thing I need to know  
Take me to your darkest secret  
Oh tell me of your wildest dreams  
Baby just one night is all I want to do  
Get a night with you  
All I want to do  
Get a night with you

Take me to your darkest secret  
Oh tell me of your wildest dreams  
Baby just one night is all I want to do  
Get a night with you  
All I want to do, yeah  
Is get a night with you
