Stony Road

This is the story Oh this is the way Gospel of reason When the pain came to stay The life of a loser Who wins with a smile The sinners redemption In the tears of a child

Me & Katie We go dancing down the stony road See her laughing through the pain Of such a heavy load Me & Katie We go dancing down the stony road

You're looking for sugar To kill the grey You're looking for the laughter To take the pain away God don't give nothing No you got to steal your own smile Learning to find it, In the tears of the child

And me & Katie We go dancing down the stony road See her laughing through the pain Of such a heavy load

Me & Katie We go dancing down the stony road Let's go dancing, let's go dancing Dancing down that stony road
