

## Aw Naw

Chris Young

Yeah, I think I'm gonna leave  
I just had that one drink  
And we've all gotta be up early  
Boys, we oughta shut her down  
Just take it to the house  
Before anybody starts getting crazy

So I started walking across the floor  
Before I got to the door...

Aw naw  
Somebody just bought  
A shot of that Patron, hang on  
I just might have to stay  
Aw naw  
Look at the time y'all  
What happened to coats on, long gone...  
I should be halfway home  
But aw naw

Yeah, girl I saw you come in  
With all of your girlfriends  
Just cuttin' up and shooting Bacardi  
Yeah, I got my boys with me  
But we're just blowin' off steam  
Not lookin' to pick up anybody

So I was gonna walk on by  
You turned around and we locked eyes

Aw naw  
Did you hear that song,  
Oh the one that just came on  
Come on, DJ, what you trying to do?  
Aw naw  
It would be so wrong  
If we didn't dance one  
Show off those jeans you painted on  
Aw naw  
Aw naw

No, I didn't mean to be here this long  
I tried to leave so it ain't my fault.  
No I didn't mean to be holding you  
But tell me what was I supposed to do?

Aw naw  
Somebody just bought  
A shot of that Patron, hang on  
We've been here all night long  
Aw naw  
It would be so wrong  
If we didn't dance one more song  
Show off those jeans you painted on  
Aw naw

Yeah, aw naw

Those jeans you painted on  
Aw naw
