

## The Words

Christina Perri

All of the lights land on you  
The rest of the world fades from you  
And all of the love I see  
Please please say you feel it too  
And all of the noise I hear inside  
Restless and loud, unspoken and wild  
And all that you need to say  
To make it all go away  
It's that you feel the same way too

And I know  
The scariest part is letting go  
'Cause love is a ghost you can't control  
I promise you the truth can't hurt us now  
So let the words slip out of your mouth

And all of the steps that led me to you  
And all of the hell I had you walk through  
But I wouldn't trade a day for the chance to say  
My love, I'm in love with you

And I know  
The scariest part is letting go  
'Cause love is a ghost you can't control  
I promise you the truth can't hurt us now  
So let the words slip out of your mouth

I know that we're both afraid  
We both made the same mistakes  
An open heart is an open wound to you  
And in the wind there's a heavy choice  
Love has a quiet voice  
Still you mind, now I'm yours to choose

And I know  
The scariest part is letting go  
Let my love be the light that guides you home

And I know  
The scariest part is letting go  
'Cause love is a ghost you can't control  
I promise you the truth can't hurt us now  
So let the words slip out of your mouth
