

Nature's Way

Christopher Cross

Is nature's way of telling you somethings wrong
It's nature's way of telling you in a song

Is nature's way of receiving you
Is nature's way of retrieving you
Is nature's way of telling you somethings wrong

Is nature's way of telling you on the breeze
It's nature's way of telling you - dying trees

It's nature's way of telling you to sow down
It's nature's way of telling you - look around

It's nature's way of finding you
It's nature's way of reminding you
It's nature's way of telling you somethings wrong
