

Open Your Heart

Christopher Cross

It's a lonely ride on Noah's ark
Takin' a shot into the dark
Hopin' that someone will see the spark
Of the light in you

Noah's ark to the ship of fools
Didn't we break all the golden rules
Caught in the dance of the hours

Open your heart 'til everyone's in
It's never too late to believe and begin
Open your heart 'til everyone's in
You can wish on the light of a star 'til the end

Everyone's out on the open sea
We're all a part of the mystery
You know how lonely it can be
Surviving

You say you're gonna settle down
Just play guitar and walk around
Until you turn into the sound
Of laughter

Some do believe we came out of the sky
And at the end we will fly
