

# Nadine

Chuck Berry

I got on a city bus and found a vacant seat,  
I thought I saw my future bride walking up the street,  
I shouted to the driver hey conductor, you must slow down.  
I think I see her please let me off this bus

Nadine, honey is that you?  
Oh, Nadine. Honey, is that you?  
Seems like every time I see you Darling you got something else  
to do

I saw her from the corner when she turned and doubled back  
And started walkin' toward a coffee colored cadillac  
I was pushin' through the crowd to get to where she's at  
And I was campaign shouting like a southern diplomat

Downtown searching for her, looking all around.  
Saw her getting in a yellow cab heading up town.  
I caught a loaded taxi, paid up everybody's tab.  
With a twenty dollar bill, told him 'catch that yellow cab.'

She move around like a wave of summer breeze,  
Go, driver, go, go, catch her balmy breeze.  
Moving through the traffic like a mounted cavalier.  
Leaning out the taxi window trying to make her hear.
