

# Body Party

Ciara

My body is your party, baby  
Nobody's invited but you baby  
I can do it slow now, tell me what you want  
Baby put your phone down, you should turn it off  
Cause tonight is going down, tell your boys is going down  
We in the zone now, don't stop

You can keep your hands on me, touch me right there, ride my body  
I cant keep my hands off you, your body, is my body  
Im doing this little dance for you  
You got me so excited  
Now it's just me on you  
Your body's my body, let's get it started

Boy you should know that your love is always on my mind  
Im not gonna fight it, I want it all the time  
Boy you should know that your love is always on my mind  
I cant it deny it, I want you, I want you

I cant lie, I wont lie, its amazing  
My faces, the places, you're taking me

Baby take your time now, theres no need to rush  
We can go another round, if thats what you want  
Cause tonight is going down, tell your boys is going down  
We in the zone now, don't stop

You can keep your hands on me, touch me right there, ride my body  
I cant keep my hands off you, your body, is my body  
Im doing this little dance for you  
You got me so excited  
Now it's just me on you  
Your body's my body, let's get it started

Boy you should know that your love is always on my mind  
Im not gonna fight it, I want it all the time  
Boy you should know that your love is always on my mind  
I cant it deny it, I want you, I want you

The things I wanna do to you  
My body's calling you  
Im having so much with you  
Now it's just me on you  
Your body's my body, let's get it started
