

# Someone Believes In You

Cindy Morgan

She always wanted to be a dancer  
But the shoes just wouldn't fit  
Thought about being an actress  
But someone told her she lacked the wit  
She would have loved to have been a Mrs.  
But she was broken in the fall  
And now she's finding it hard to be anything at all

He always wanted to be a doctor  
But the money just wasn't there  
Thought about taking up baseball  
But couldn't find a glove he could wear  
And he wanted to be like daddy  
But Dad was never there  
And now the truth is so hard  
'Cause the truth is he doesn't care  
Oh, don't you know  
Someone believes in you  
No matter who you are  
No matter what you do  
Oh, don't you know  
Whatever you're going through  
He's got His eye on you  
Better believe it's true  
Someone believes in you

Dreams are not forgotten by the night  
Love is not forsaken by what's right

He always wanted to be a writer  
But he had a family instead  
Years of the daily struggles  
So much he wishes he could have said  
He gave up his dreams of music  
So our dreams could come true  
But when the kids are all grown  
What is there left to do

Oh, don't you know  
Someone believes in you  
No matter who you are  
No matter what you do  
Oh, don't you know  
Whatever you're going through  
He's got His eye on you  
Better believe it's true  
Someone believes in you  
No matter what you do  
Better believe it's true  
Someone believes in you
