

# I Don't Wanna Know (If U Got Laid)

Cinema Bizarre

Once upon a time  
There was love in your eyes  
That was 49 days ago  
You knew I'd understand  
Said you're goin' for a dance  
But you never came back home  
I was sitting by the phone  
Thinking when you're gonna call  
But you left me you left me on my own

I don't wanna know  
I don't wanna know  
I don't wanna know

I don't wanna know if you got laid  
I don't wanna know if you got laid  
I don't wanna know if you're all right  
'Cause when I said I miss you I lied  
I don't wanna know if you got laid  
Stop the tape and replay

Standing in the club  
I could see that you got up  
Holding hands with what's his name  
A voice from the right  
Said you've seen him for a while  
Got the story on my Plate  
I wanna go outside  
Need some air and some time  
A million pictures  
Pictures that rotate

I don't wanna know  
I don't wanna know  
I don't wanna know

I don't wanna know if you got laid  
I don't wanna know if you got laid  
I don't wanna know if you're all right  
'Cause when I said I miss you I lied  
I don't wanna know if you got laid  
Stop the tape and replay

So I run - run - run - run away  
I run - run - run - run away  
I run - run - run - run away  
I run - don't wanna hear no more

I don't wanna know  
I don't wanna know

I don't wanna know if you got laid  
I don't wanna know if you got laid  
I don't wanna know if you're all right  
'Cause when I said I miss you I lied  
I don't wanna know if you got laid  
Stop the tape and replay

I don't wanna know
