

Catch me

City Sleeps

Now you see me, now you don't
Now you see me, now you don't
Now you see me, now you don't

Bedroom eyes are so passé
Everyone wants to give it away
It's too easy to get you so excited

I'm like the wind into the street
The grace of god, they take the sweet
You think my life is cheap
But I'm worth every penny
You can't fill my head so I will ride it
(head so I will ride it, head so I will ride it)

Now you see me, now you don't
Now you see me, now you don't
Now you see me, now you don't
Come on and catch me if you can

Beds are burning where I've been
Now they're laid out with false satin
It's too easy to get you so excited

I'm like the wind into the street
The grace of god, they take the sweet
You think my life is cheap
But I'm worth every penny
You can't fill my head so I will ride it
(head so I will ride it)

Now you see me, now you don't
Now you see me, now you don't
Now you see me, now you don't
Come on and catch me if you can

Lately games have been engaged
And around here these enemies
Hold me when I get off stage

Only fools will follow rules
It's time to play

Now you see me, now you don't
Now you see me, now you don't
Now you see me, now you don't
Come on and catch me if you can

Come on and catch me if you can
(Oh, now you see me) catch me if you can
(Now you don't) catch me if you can
(Now you see me) catch me if you can
Now you see me, now you don't
Come on and catch me if you
Catch me if you
Catch me if you can

Catch me
