## **Satan Said Dance**

## **Clap Your Hands Say Yeah**

How did I arrive in a place like this? Red right hand does the alligator kiss

My hair turns white and my face turns green
But my feet are still moving if you know what I mean

Satan said dance

He says to me to shake around And don't stop 'til you hit the ground

And I know it is not how you thought it would be No whips no chains just dancing dancing

Satan said dance
