

# Hard to Thrill

Eric Clapton

Hard to thrill  
Nothing really moves me anymore  
Hard to thrill  
Nothing really moves me anymore

There is nothing you can show me  
That I haven't seen before  
I've got time to kill  
Keeping to myself inside this room  
Time to kill  
Keeping to myself inside this room  
Over forty years of fridays  
You would give up trying too

Hard to thrill  
Nothing really moves me anymore  
I'm hardly thrilled  
Nothing really moves me anymore

There is nothing you can show me  
That I haven't seen before  
Hard to thrill  
Nothing really moves me anymore  
Hard to thrill  
Nothing really moves me anymore
