

Little Man, You've Had a Busy Day

Eric Clapton

Little man, you're cryin', I know why you're blue
Someone took your kiddy-car away
You better go to sleep now
Little man, you've had a busy day

Johnny won your marbles, tell you what we'll do
Dad'll get you new ones right away
Time to go to sleep now
Little man, you've had a busy day

Put away your soldiers, the battle has been won
The enemy is out of sight
Come along there soldier, put away your gun
The war is over for tonight

Time to stop your schemin', time your day was through
Listen what the jukebox softly say
Time to go to sleep now
Little man, you've had a busy day

Time to stop your schemin', time your day was through
Listen what the jukebox softly say
Time to go to sleep now
Little man, you've had a busy day
Time to go to sleep now
Little man, you've had a busy day
