Give me one more chance to make it up to you. Give me one more chance to show what I can do. Let me prove to you that my love is strong. Won't you come back home, that's where you belong.

R: Oh baby, won't you give me one more chance? Won't you give me one more chance?

Well, the sun won't shine and it refuse to rain, And I bang my heard, but I feel no pain. Then I tell myself that I could start anew, But I know darn well it all depends on you.

R: Oh baby...

So if you hear this song, you might change your mind And give a thought to me, I won't be hard to find, And I'll promise you to do the best I can, Change my evil ways and be your loving man.

R: Oh baby...

So, give me one more chance to make it up to you. Give me one more chance to show what I can do. Let me prove to you that my love is strong. Won't you come back home, that's where you belong.

R: Oh baby...

Won't you give me one more chance?
