Please Be With Me

Eric Clapton

- Oh my word what does it mean? Is it love or is it me That makes me change so suddenly Looking out feeling free
- 2. Sit here lying in my bed Wondering what is was I'd said Made me think I'd lost my head When I know I'd lost my heart instead
- R: So won't you please read my signs be a gypsy Tell me what I hope to find deep within me Because you can't find my mind please be with me
- 3. Of all the better things I've heard Loving you has made the words And all the rest seems so absurd But in the end it all comes out I'm sure

R: So won't you please...
