

# Running On Faith

Eric Clapton

1. Lately I've been running on faith  
What else can a poor boy do?  
But my world will be right  
When love comes over you

2. Lately I've been talking in my sleep  
I can't imagine what I'd have to say  
Except my world will be right  
When love comes back your way

R: I've always been  
One to take each and every day  
Seems like by now  
I'd find a love who cares just for me

3. Then we'd go running on faith  
All of our dreams would come true  
And our world will be right  
When love comes over me and you

R: I've always been...

4. Then we'd go running on faith  
All of our dreams would come true  
And our world will be right  
When love comes over me and you  
When love comes over you
