

Watch Yourself

Eric Clapton

You better watch yourself,
You better watch yourself,
You better watch yourself,
I got my eye on you.

You steal my love and go away.
Don't tell me you'll see me another day.

R:

You've gone and left me, left me here to cry.
You know I love you, know you're my desire.

R:

I give you all my love, everything too,
Fine Cadillac, tell me what you gonna do.

R:

People are talking all over town.
You say you don't love me, you're gonna put me down.

R:

Tell me what's the matter, what you gonna do?
You say you're going to quit me then you say we're through.

R:

You better watch yourself,
You better watch yourself,
You better watch yourself,
You better watch yourself,
You better watch yourself,
I got my eye on you.
