

Wipe My Ass

Clawfinger

from the white mans mouth and the white mans tongue
there's been hundreds of years of diabolical dung
so much prejudice piss has been trickling down
and i can smell the shit coming from miles around
you're so full of shit you're out of your mind
what the f**k is wrong don't waste my time
waste my time
i'm not white i'm pink but the colour of my face
represents a f**king farce called the superior race
white power bullshit i'll wipe my pink f**king ass
with your swastika flag cos it belongs to the past
you want me to believe that dark skin is a sin
well wake up it's 95 where the f**k have you been
what are you trying to achieve with your racist crap
that shit's coming out the crack from the bottom of your back
you're so full of shit you're out of your mind
what the f**k is wrong don't waste my time
waste my time
you are making me sick with your pathetic tricks
you try to tell me different colours don't mix
you tell us so many lies that you believe them yourself
you spend your whole life blaming everyone else
you're so full of shit you're out of your mind
what the f**k is wrong don't waste my time
you're so full of shit you're out of you mind
what the f**k is wrong don't waste my time
waste my time
