

I Can't Help Myself

Clay Aiken

Sugarpie honeybunch
You know that I love you
Ooh, I can't help myself
I love you and nobody else
In and out my life
You come and you go
Leaving just your picture behind
And I kissed it a thousand times

When you snap your finger
Or wink your eye
I come a running to you
I'm tied to your apron strings
And there's nothing I can do

Girl, I call your name
Ooh, It starts the flame burning in my heart
Tearin' it all apart
No matter how I try
My love I cannot hide

Sugarpie honeybunch
You now that I'm weak for you
I can't help myself
I love you and nobody else
