Run To Me

Clay Aiken

Don't, you don't have to save my life No, you're not ready I can feel it Outside its raining but I'll just go home Someday your heart will just let him go

As soon as you get that feeling You can start to live again As soon as the worst is over You can make it all make sense Right now I can't give you want you need As soon as you get that feeling Run to me

Hush, you don't have to say a word Trust, I'm not going to hate you for it Feels like my touch only brings back the pain Someday those memories will fade away

As soon as you get that feeling You can start to live again As soon as the worst is over You can make it all make sense Right now I can't give you want you need As soon as you get that feeling Run to me
