

Sugar Pie, Honey Bunch

Clay Aiken

Sugar pie, honey bunch,
You know that I love,
Oh, I can't help myself,
I love you and nobody else,

In and out my life,
You come and you go
(you come and you go)
Leaving just your picture behind,
And I kissed it a thousand times,

When you snap your finger,
Or wink your eye,
I come running to you,
I'm tied to your apron strings
And there is nothing that I can do,

Girl, I call your name,
Oh it starts to flame,
Burning in my heart,
Tearing me apart,
No matter how I try,
My love I just can't hide,

Sugar pie, honey bunch,
(sugar pie, honey bunch)
You know that I'll wait for you,
Oh, I can't help myself,
I love you and nobody else,

Sugar pie, honey bunch
